Railway Equipment & Spares

Railway Machineries

Railway Rolling Stock for urban metro systems and conventional trains

Spare Parts

Track Maintenance Machineries

Ballast Cleaning Machine

Tamping Tools and Spares

*We also import and export OEM spare parts of engineering machines.

PRODUCTS

Medium Density Fiberboard (MDF)

It is an engineered wood product made by breaking down hardwood or softwood residuals into wood fibers, often in a defibrator, combining it with wax, glue and a resin binder, and forming panels by applying high temperature and pressure. Suitable for painting, surfacing to achieve a higher quality finish.

PRODUCTS

Rubberwood Finger Joint Board

It is jointed by plantation lumber being termite-treated and kiln-dried. The logs are cut into wood staves with size based on each order. Wood staves are vertically jointed into wood bars of equal length, and then jointed parallel into a complete wood board depending on international quality standards.

PRODUCTS

Limestone powder and Chip form (Feed Grade)

This is high quality limestone source with a calcium content over 38%, high purity, whiteness and softness. The chemical composition and physico-mechanical properties of this limestone are suitable with the requirements of the cattle feed production industry, aquaculture and agricultural land reclamation.

PRODUCTS

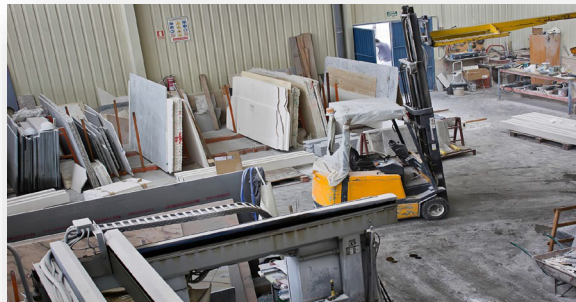

Natural Stones

Granite

We offer Gang Saw Size Slabs, Cutter and Tailor made cut to size slabs in different thickness ranging from 16 mm to 20 mm, 30 mm, 50 mm and 60 mm.
